涂料油墨胶粘剂首选平台

The Preferred Platform in the Coatings, Inks, and Adhesives Industry

自2003年起,我们始终专注涂料油墨胶粘剂领域,匠心打造行业首选平台。ICIE国际(广州)涂料工业展览会(以下简称ICIE)及其工业涂料、粉末涂料与涂装、胶粘剂、油墨系列主题展一直致力于为行业的供应和制造商提供国际性展示交易平台。展会2012年通过国际展览业协会ufi认证并每年接受严格的审核,至今已成功举办过18届展会。

ICIE 2026将进一步扩大规模,汇聚全球行业协会组织、专家、科研技术人员、资深从业者、行业应用终端,联动国际媒体资源,构建全产业链深度对接平台面对面链接全球——ICIE 2026与您共绘行业新蓝图!

Since 2003, we have been consistently focusing on the field of coatings, inks and adhesives, dedicated to building the industry's preferred platform. International (Guangzhou) Coatings Industry Expo (hereinafter referred to as ICIE) and its series of theme exhibitions covering industrial coatings (powder coatings), adhesives and inks have been committed to providing an international display and trading platform for suppliers and manufacturers in the industry. ICIE was certified by UFI (The Global Association of the Exhibition Industry) in 2012 and was under strict review by it. Up to now, it has successfully held 18 sessions. ICIE 2026 will further expand its scale, bringing together global industry associations, experts, scientific research, technical personnel senior, practitioners and industry application end-users. It will also link international media resources to build a deep docking platform for the entire industrial chain. Connecting the world face to face - ICIE 2026 will work with you to draw a new blueprint for the industry!

同期活动 Concurrent Activities

- 1、国际涂料原材料选料大会
 - 2、涂料狼群工程师技术沙龙-广州站
 - 3、涂料技术前沿峰会暨创新应用案例发布会
 - 4、油墨创新技术论坛
 - 5、《胶界》全球胶粘剂创新技术分享会
 - 6、广东省涂料与油墨产业高质量发展大会
 - 7、汽车表面工程暨防腐蚀技术研讨会
 - 8、涂料油墨胶粘剂新产品/技术应用供需对接会
- 1.Coatings Raw Material Procurement Conference
 - 2.Coating Engineer Technical Salon - Guangzhou Station
 - 3.Coating Antimicrobial Technology Frontier Summit
 - 4.Ink Innovation Technology Forum
 - 5."Adhesive World" Global Conference on Innovative Adhesive Technologies
 - 6.Guangdong Coatings and Ink Industry High Quality Development Conference
 - 7.Automotive Surface Engineering and Anti-Corrosion Technology Seminar
 - 8.Supply and Demand Matchmaking Meeting for New Products and Technological Applications in Coatings, Inks, and Adhesives

同期展览 Concurrent Exhibitions

- 亚太国际工业涂料、粉末涂料与涂装展
 - 胶粘剂及粘接技术展
 - 油墨工业展
 - 表面处理 电镀 涂装展
- Industrial and Powder Paint & Coatings Exhibition
 - Adhesives and Bonding Technology Exhibition
 - International Ink Industry Exhibition
 - Surface Finishing, Electroplating and Coating Exhibition

1. 区位优势极佳

粤港澳大湾区是全球增长最快湾区，经济增长速度位列全球湾区之首。能源与交通、电池、光伏、风电、电子电器、家电家具、船舶集装箱、汽车等产业表现出色，发展机遇巨大！

● Obvious Location Advantage

The Guangdong-Hong Kong-Macao Greater Bay Area is the fastest-growing bay area in the world, with its economic growth rate ranking first among the bay areas in the world. Industries including energy and transportation, batteries, solar power, wind energy, electronics, home appliances, furniture, shipbuilding and containers, and automobiles are thriving, offering immense development opportunities!

2. 汇集优质资源

展会与亚洲涂料油墨联合会、CIAA中关村汇智抗菌新材料产业技术创新联盟、PCI杂志中文版、水性平台、涂料狼群、胶界、粘接资讯等深度合作，并得到了湖南、湖北、河南、陕西、四川、台湾和美国、日本、意大利、韩国、印度、越南、泰国以及华南理工大学、中南大学、东华大学、上海大学、广东工业大学、顺德职业技术大学等近100家协会、组织、院校、媒体的支持！

● Superior Industry Resources

ICIE has formed in-depth collaborations with the Asia Coatings and Ink Federation (ACIF), Chinese Industry Association for Antimicrobial Materials & Products (CIAA), Paint & Coatings Industry (PCI), Waterborne China Platform, Coating Wolves, Adhesive World, Bonding Information, and so on. It is also strongly supported by nearly 100 associations, organizations, academic institutions, and media outlets from regions including Hunan, Hubei, Henan, Shaanxi, Sichuan, Taiwan, as well as countries such as the United States, Japan, Italy, South Korea, India, Vietnam, and Thailand. Notable academic supporters include South China University of Technology, Central South University, Donghua University, Shanghai University, Guangdong University of Technology, and Shunde Polytechnic.

3. 优质同期活动

同期超过20场高质量论坛、技术沙龙和社交活动。邀请近百名行业专家、科研人员及资深从业人士，共同探讨行业难题，分享成果及经验，为参展商持续增长助力！

● High-Quality Concurrent Events

Over 20 high-level forums, technical salons, and networking events will be held alongside the exhibition. Nearly 100 industry experts, researchers, and senior professionals will be invited to address key industry challenges, share insights and achievements, and empower exhibitors with continuous growth opportunities.

4. 国际影响力高

设立国际拓展部，为展商带来高质量海外采购商，二十余载的深耕与积累，通过国外专业媒体、社群营销、精准邀约等手段，并联合海外商协会、组织、外籍行业人脉圈组团参观交流，吸引了大批国外专业采购商到场，成为展会新亮点！

● Strong International Influence

Establishing an international expansion department to attract high-quality overseas buyers to ICIE, with more than 20 years of deep cultivation and accumulation, through foreign professional media, community marketing, precise invitations, and joint visits and exchanges with overseas business associations, organizations, and foreign industry networks, has attracted a large number of foreign professional buyers to attend, becoming a new highlight of the exhibition!

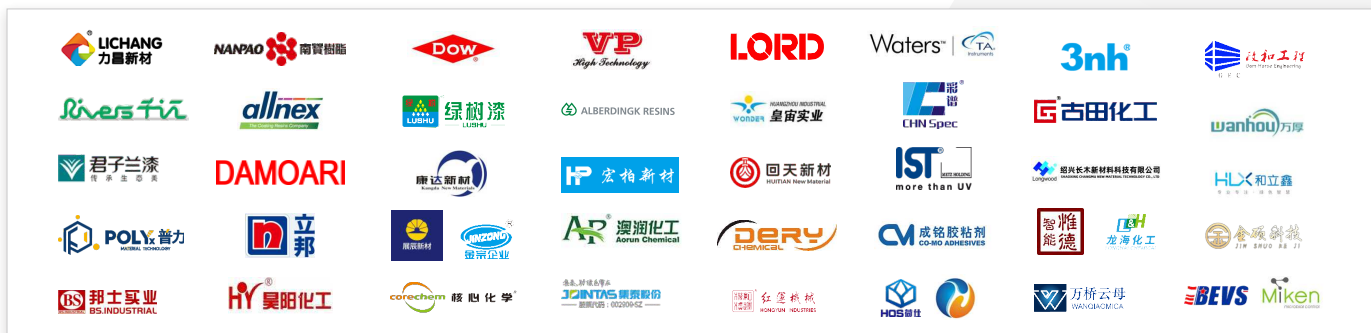

上届展会于2025年6月17-19日在广交会展馆举行，接待了来自国内和印度、俄罗斯、韩国、日本、美国、阿尔及利亚、印度尼西亚、马来西亚、菲律宾、越南、泰国、以色列、尼日利亚、巴基斯坦、巴西等16个国家的参观商累计30024人次，35个参观团。现场举行原料选料大会、涂料狼群工程师技术沙龙、涂料抗菌技术前沿峰会暨创新案例应用发布会、胶界全球胶粘剂创新技术分享会等20多场活动，参会者累计超3000人次。

The ICIE 2025 was held at the Canton Fair Complex from June 17th to 19th, 2025. It attracted a total of 30,024 visitors and 35 visiting groups from China and 16 other countries, including India, Russia, South Korea, Japan, the United States, Algeria, Indonesia, Malaysia, the Philippines, Vietnam, Thailand, Israel, Nigeria, Pakistan, and Brazil. More than 20 activities were held on-site, such as the Coatings Raw Material Procurement Conference, Coating Engineer Technical Salon - Guangzhou Station, Coating Antibacterial Technology Frontier Summit and Innovation Application Case Release Conference, "Adhesive World" 2025 Global Conference on Innovative Adhesive Technologies. The cumulative number of participants exceeded 3,000.

梁海淞 Liang Haisong

广州深蓝聚合物有限公司 董事总经理
Guangzhou Sunrise Polymer Co., Ltd. Managing Director,

展会很成功，汇集几个关联行业，激发了大家创造性思维，规模比往届大。我司产品获得了很多咨询索样。感谢主办方的精心组织，期待明年继续参展。

The ICIE 2025 was a great success, bringing together several related industries and sparking creative thinking. It was larger in scale than previous editions. Our products received numerous inquiries and sample requests. Many thanks to the organizers for their thoughtful work. We look forward to participating again next year.

吴金友 Wu Jinyou

广东绿树环保涂料科技有限公司 董事长
Guangdong LvShu Environmental Protection Coating Technology Co., Ltd. Chairman

本次展会我司得到中外采购商的认可，极大地展示了品牌价值与核心科技，提升了品牌影响力，期待明年再次合作！

At this exhibition, our company received recognition from both domestic and international buyers, significantly showcasing our brand value and core technologies. It enhanced our brand influence, and we look forward to further cooperation next year!

刘用虎 Liu Yonghu

南通博大生化有限公司 总经理
Nantong Boda Biochemistry Co., Ltd. General Manager

展会有大量专业观众，我们接触到很多潜在客户。作为深耕防腐防霉多年的企业，我司专为涂料体系研发的低毒高效防腐剂赢得广泛关注，期待明年再聚！

We attracted a large number of professional visitors, and we connected with many potential customers in the ICIE 2025. As a company deeply engaged in anti-corrosion and anti-mildew technologies for years, our low-toxicity and highly effective preservatives, specifically developed for coating systems, garnered widespread attention. We look forward to meeting again next year!

何亚清 He Yaqing

天津启创化工有限公司 总经理
Tianjin Cheetrump Chemicals Co., LTD General Manager

我们是专注闪防锈剂，防锈颜料及其它涂料助剂的企业。今年观众更多，认识了很多新客，了解到行业痛点，很多客户带着问题来，后期会有一些机会解决行业痛点，达到了预期。

We specialize in flash-rust inhibitors, anti-corrosion pigments, and other coating additives. ICIE 2025 had more visitors than before, allowing us to connect with many new clients and gain insights into industry pain points. Many customers came with specific issues, which presents opportunities for us to offer targeted solutions. ICIE met our expectations.

董福龙 Dong Fulong

我们纳米有机钛重防腐技术及其应用，吸引了大量国外参观商关注，接待了数十位国外客户，部分已达成合作意向。特别值得一提的是展会组织与服务专业、高效，配套的技术沙龙与专业论坛，提供了宝贵交流机会与启发，成效显著。

Our nano-organic titanium heavy-duty anti-corrosion technology and its applications attracted significant attention from international visitors. We received dozens of foreign clients, some of whom have already expressed intent to cooperate. It is especially worth mentioning that the exhibition was professionally organized and highly efficient. The accompanying technical salons and professional forums provided valuable opportunities for exchange and inspiration, yielding remarkable results.

方江玲 Fang Jiangling

上海崇禾新材料有限公司 经理
SHANGHAI TRUTHHOLD CO.,LTD Manager

我们在非金属材料领域实力强劲，展会专业观众多，与众多涂料企业建立了联系，为拓展市场打下坚实基础，提升了知名度。现场技术研讨会亮点多，为后续研发与供应策略调整提供了参考。

We have strong capabilities in the field of non-metallic mineral products. The exhibition attracted many professional visitors and enabled us to establish connections with numerous coating companies. This laid a solid foundation for market expansion and boosted our brand visibility. The on-site technical seminars were full of highlights and provided valuable references for future R&D and supply strategy adjustments.

我对ICIE非常满意。具有高度的国际化，对业务拓展非常有效。我认识了许多潜在合作伙伴。感谢主办方举办了如此精彩的活动！

I am extremely satisfied with 2025 ICIE. It has a high degree of internationalization and is very effective for business development. I have met many potential partners. I truly appreciate the organizer for hosting such a wonderful event!

04 胡映明 Hu Yingming 工艺室主任 Director of the Process Department GREE ELECTRIC APPLIANCES, INC. OF ZHUHAI

本次参观超出预期！展会人气火爆，主办方在场地规划、嘉宾邀请、活动安排上展现出极高专业度。展会汇聚了前沿技术和最新动态，内容丰富，明年还会组团参加！

Our visit to the 2025 ICIE exceeded all expectations! The bustling crowd and the meticulous planning of the venue layout, visitors invitation, and event scheduling demonstrated the organizer's exceptional professionalism. The exhibition showcased cutting-edge technologies and the latest trends, offering a wealth of information. We will definitely return next year!

03 Davide Bisognin 首席执行官 CEO OSMA STAMPI srl 意大利 Italy

ICIE 2025超出我的预期。我对环保涂料感兴趣，现场样品和设备全面丰富，参展商耐心为我讲解产品。展会工作人员热情主动解决我的问题。非常期待明年继续参观。

2025 ICIE exceeded my expectations. I am deeply interested in environmental protection coatings, the samples and equipment at the exhibition were comprehensive and abundant, and the exhibitors introduced their products with great patience. The on-site staff were also very enthusiastic, proactively solving my problems. I eagerly look forward to visiting the 2026 ICIE.
